Humanity's vulnerability has never been more exposed: In this interconnected world, the whole of humanity must take part in the co-creation and implementation of sustainable solutions to long-standing and newer global challenges. Introducing the Humanity Summit focused on advancing the well-being of humanity through Dignity, Equality, and Freedom. This yearly event aims to accelerate the alignment of a global community towards the creation of a prosperous and safe future for all. Humanity Summit 2023 will take place in Faro, Portugal between 19-20 September 2023. and in Lisbon, Portugal between 19-22 of September 2023. It is a series of conferences that focus on dignity, equality and freedom. The objective is to unite diverse individuals and groups to discuss pressing global challenges. We will provide a platform to discuss critical global challenges related to humanity, equality and freedom. To foster cross-cultural understanding and to encourage philanthropy as well as social responsibility and advocating for financial inclusion. - Following this

conference, local partners will host subsequent events around the globe to continue to move forward the agenda towards the achievement of Dignity, Equality, and Freedom.
