COLLECTIVE LANDSCAPE FUTURES: OIKOS=ECO=OUR HOME

- 23rd March 2022
- 6:00pm - 8:00pm
- Stephen Lawrence Gallery

Collective Landscape Futures are a series of five roundtable discussions that explore the future of landscape and urban practice. Held as conversations between students, graduates, tutors and guests to discuss the relationship between landscape, and the interconnected issues of justice, belonging and the economic and environmental crises. Hosted by **Anushka Athique** and **Roo Angell**. Department of Landscape Architecture and Urbanism.

COLLECTIVE LANDSCAPE FUTURES: Oikos=Eco=Our Home

A roundtable discussion examining the relationship between ecology and economy and ways of making and living in the world. **Speakers include Alan Gillingwater, Henry Wilson, Indy Johar, Johanna Gibbons and Simon Goldsmith.**
