

# RED CLOVER. BRACKEN. BLACK COHOSH.

the heathland tells us 'the birds'  
'the wild horses' heads'  
move  
like the slow swing of branches below the canopy  
dowsing for water

we scratch at lichen  
make promises to  
the ground and urge the dirt  
for fossils and bread

our nails our teeth our mouths  
the birds

Performance Artwork/Film  
Performer Serena Bubowski, Performer & Vocal  
Composition Kay Elizabeth, Filmmaker Richard  
Brunner, Artistic Director Catherine Maffioletti
