Dear Dr. Bechoff,

We are pleased to inform you that your accepted manuscript (unformatted and unedited PDF) is now available online at:

<http://authors.elsevier.com/sd/article/S0308814613013976>

You might like to bookmark this permanent URL to your article. Please note access to the full text of this article will depend on your personal or institutional entitlements.

This version of your article has already been made available at this early stage to provide the fastest access to your article. It is not intended to be the final version of your article. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note changes to the article should not be requested at this stage.

Your article can already be cited using the year of online availability and the DOI as follows:

Author(s), Article Title, Journal (Year), DOI.

Once the full bibliographic details (including volume and page numbering) for citation purposes are available, you will be alerted by e-mail.

To track the status of your article throughout the publication process, please use our article tracking service:
